

# MASS TRANSIT

THE OFFICIAL PUBLICATION OF THE UNIVERSITY OF MASSACHUSETTS AMHERST STUDENT CHAPTER  
OF THE AMERICAN SOCIETY OF CIVIL ENGINEERS FEBRUARY 2008

## Career Fair

### ASCE Meeting:

On Wednesday, February 13<sup>th</sup> the ASCE society will be rejoined once again in our monthly meetings. Since this is the first meeting of the semester ASCE will host a few activities, which include some team work, fun, and of course lots of free food.

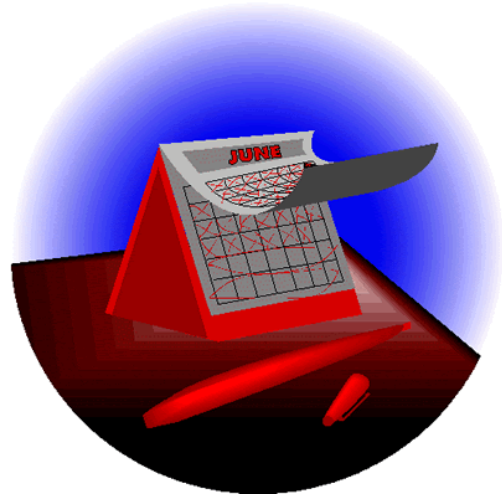

This month you have the opportunity to get a job. UMASS will be hosting several CAREER FAIRS. The first will be on the 13<sup>th</sup> from 10am to 3pm in the Campus Center which will be multi disciplinary. On the same day at the same time in the same place the Natural Science and Natural Resource Career Fair will be up and running. Later that night from 3pm to 7pm the ALANA career fair will be running again in the Campus Center. However more importantly, for all of us the CIVIL ENGINEERING career fair will be at the Guinness Center on the 28<sup>th</sup> between 10am and 3pm.

# News and Information for February

## Important Dates:

- Feb 28<sup>th</sup> : Civil Career Fair
- April 5<sup>th</sup> : Open House
- April 7<sup>th</sup> : Pre Registration
- April 12<sup>th</sup> : FE Exam
- May 6<sup>th</sup> – 9<sup>th</sup> : Construction Career Fair

## Current Officer Positions:

- President: Rob House
- Vice-President: Kim Rudy
- Treasurer: Adam Butler
- Corresponding Secretary: Tim Chera
- Recording Secretary: Tricia Cronin
- Publicity Officer: Majid Al-Zaben
- Freshman Liaison: Chengyan Zhang
- Sophomore Liaison: Meghan Krupka

## Multicultural Engineering Program (MEP):

The MEP has a lot to offer to the students of the civil engineering department. It offers seminars and workshops for people to expand their knowledge and better use their resources. The program also offers private and general tutoring at its center for anyone to benefit from. For more information please go to Marston room 128.

## REU (Research Experience for Undergraduates):

The REU is a program that runs during the summer for a select, elite group of people. It is an opportunity for you to work alongside some leading engineers, and scientists. It is a 9 week intensive research program which will definitely widen your career path. In addition to the experience a \$6000 stipend is offered for the selected students. For more information visit Marston Hall room 129, or call 413-545-6390

# BOHLER

ENGINEERING

[BohlerEngineering.com](http://BohlerEngineering.com)

## Bohler Engineering:

Bohler Engineering is offering students at Umass the opportunity to apply for internships with them. Bohler Engineering has several offices in New York in several locations offering different internships in various fields. For more information check the attached info page.

## Fenway Park Trip:

At the end of last semester, a group of students went to Fenway and experienced a lifetime opportunity. They were briefed on how the structure became what it is now and the developments that are to come in the near future. Every one felt like a STAR!

## IDEAS IDEAS IDEAS!!

The ASCE chapter would like to take your ideas in, for events, advice, or general comments. If you have a comment contact Majid Al-Zaben on [Malezabe@student.umass.edu](mailto:Malezabe@student.umass.edu).
