

New England Regional Concrete Canoe Competition

PARTICIPANT ASSUMPTION OF RISK AND RELEASE AND INDEMNITY AGREEMENT

Assumption of Risk

I, _____, understand that the **New England Regional Concrete Canoe Competition** (the "Event") is an inherently dangerous activity and participation in this Event poses risks, hazards, and dangers that may result in (for example, but not limited to): 1) accidental drowning, 2) being struck and injured, 3) colliding with objects or people, 4) experiencing collision, and/or 5) reacting to high altitudes and weather conditions. These and other circumstances may cause hypothermia, drowning, heart or lung complications, broken bones, concussions, wounds, or other injury or illness, mental trauma, disability or death.

I understand that the above description of risks is not complete and that other unknown or unanticipated risks, hazards, and dangers due to my participation in the Event may result in death, personal or bodily injury, property loss or damage, expenses, or other loss. I acknowledge that participating this activity may require a degree of skill and knowledge different from other activities and that I have responsibilities as a participant and that I have familiarized myself with such skills and knowledge prior to my participation in this event. I have no mental or physical problems or limitations that might compromise or affect my ability to participate in the Event which have not been disclosed. I represent that I am fully capable of participating in the Event without causing harm to myself or others. I understand the presence of representatives from the American Society of Civil Engineers, the UMass Student Chapter of the American Society of Civil Engineers and its members, the Commonwealth of Massachusetts, and the University of Massachusetts, its servants, employees, representatives, and agents is no assurance of my safety or the lessening of these risks.

My participation in these activities is purely voluntary and I choose to participate in spite of and with knowledge of the risks. Therefore, I, and my parent(s), if I am a minor, assume and accept full responsibility for myself, for those risks identified here and for those risks not identified, including but not limited to death, bodily or personal injury, property damage or loss, expenses, or other loss suffered by myself and them, resulting from those risks and from my own negligence.
