

CEE 680: Water Chemistry

Lecture #54

[Review for Final Exam](#)

Review for Final Exam

- Redox examples
- Precipitation
 - Solubility diagrams, predominance diagrams
- Other topics
 - Acid/base
 - Complexation
 - Thermodynamics

Format for Final

- 3 pages of notes allowed
 - Otherwise Closed book, closed notes
- 2 hours in length
- Two problems?
 - Redox
 - Precipitation
- Problems may incorporate elements from earlier topics
 - e.g., acid/base, complexation, thermodynamics

- The End
