# CEE 680: Water Chemistry

Lecture #54  
[Review for Final Exam](#)

David Reckhow CEE 680 #54 1

## Review for Final Exam

- Redox examples
- Precipitation
  - Solubility diagrams, predominance diagrams
- Other topics
  - Acid/base
  - Complexation
  - Thermodynamics

David Reckhow CEE 680 #54 2

## Format for Final

- 3 pages of notes allowed
  - Otherwise Closed book, closed notes
- 2 hours in length
- Two problems?
  - Redox
  - Precipitation
- Problems may incorporate elements from earlier topics
  - e.g., acid/base, complexation, thermodynamics

- The End
