

WATER, WATER EVERYWHERE BUT NOT A **DROP** TO DRINK?

Protecting Public Health and the Environment
in Uncertain Times

Gina McCarthy

EPA Administrator under President Obama

A career public servant in both Democratic and Republican administrations, Gina McCarthy has been a leading advocate for common sense strategies to protect public health and the environment for more than 30 years. As the head of the EPA under President Obama, she led historic progress to achieve the administration's public health and environmental protection goals and Climate Action Plan.
