

Ways to Improve Your GPA

Professors

- Meet with your professor on a regular basis.

Studying Techniques

- Find a quiet place to study on a daily basis.
- Join a study group.

Advising

- Meet with your academic advisor on a regular basis.
- Repeat a course if needed.
- Develop an academic plan with your advisor.

Career Services

- Use Career Services to help you clarify major and career goals.
Marston 114

Grade Point Average

- Keep track of semester's GPA and assess what you need to obtain a high grade point average.

Time Management

- Have a good time management plan (Calendar, planner, etc.).
